OMAJ COMMERCIAL BLENDER *OM-100*

SOUND PROOFING

INTELLIGENT MODES

SUPER DURABLE

HIGH CONCENTRICITY SPEED

The sound of strong vortex and the noise produced by ice breaking can affect the business environment and the mood of the customers, but don't worry, we have found a better solution.

Making perfect Smoothies or cold drinks, please meet the needs of the following elements: suitable speed, ice breaking, strong vortex, Hard and tough jar, and of course, all with a quiet performance.

Externality Sealed soundproof cover

Unique internal design can realize sound wave cyclotron and offset in the soundproof cover

Sealant gasket are good for sound absorption and avoid vibration

Unique soundproof cover design. Wide mouth and side fit.

Internality Noise reduction combination

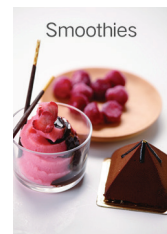

The precise coordination of each core component ensures that the noise generated by the high speed rotation is below 75 dB.

Cold drinks

Ice slush

Smoothies

Milk shakes

In the high-end bars, cafes, food and beverage chains, You need a high grade, intelligent, easy to operate, durable and low noise blender/mixer. Have you made the right choice?

Intelligence, Simple, Fast.

3.7 inch LCD screen,
intelligent operating
system, wave function,
DIY self programming,
only with a simple press.

185 kinds of editable programs,
Give full play to your imagination
and creativity in the production
of smoothie.

Five intelligent
modes that suitable
for all kinds
smoothies recipes.

— "Mixing" mode for milk
shaking, quick cold drinks,
and cleaning the jar with
pure water.

"1,2,3" means capacity
of smoothies as small,
medium and big cup.

"DIY" mode allows you to edit
the program freely, and then
automatically memorize the last
program.

Details determine quality and innovation

That's why we offer you 2 years warranty.
