

GLO MAX

PORTABLE FOODWARMER

GMFFL
in standard powdercoated Black color (food pan not included)
en Noir peint en poudre (bac alimentaire non inclus)
in colore nero standard verniciato a polvere (teglia non inclusa)

Nothing less than the best.™

MAINTAINS Peak Serving Temperatures Longer...

- Keep foods at safe temperatures with a metal sheathed infrared heating element, radiating heat from above.
- Steel housing gives maximum durability, an attractive appearance and optimum performance.
- Includes Incandescent lights, a sign holder (sign not included) a factory prewired 1829 mm cord and plug.
- Heating elements guaranteed against burnout and breakage for two years.

MAINTIENT les températures de service maximum plus longtemps...

- Garde les aliments à des températures sûres à l'aide d'un élément chauffant à gaine métallique, qui rayonne la chaleur par en haut.
- Le boîtier en acier se traduit par une durabilité maximum, une apparence esthétique et une performance optimum.
- Inclut des lampes incandescentes, un support de panneau (panneau non fourni), un cordon de 1829 mm précablé à l'usine et sa fiche.
- Les éléments chauffants sont garantis contre le grillage et la casse pendant deux ans.

MANTIENE la temperatura di picco le temperature a servire per periodi più lunghi...

- Mantiene le vivande a temperature ottimali grazie a un elemento riscaldatore a infrarossi a guaina metallica, che irradia il calore dall'alto.
- L'involucro in acciaio offre la massima durata, un'estetica elegante e prestazioni ottimali.
- Comprende lampade incandescenti, un supporto targa (targa non inclusa), un cavo da 1829 mm e spina preinstallati in fabbrica.
- Elementi riscaldatori garantiti contro corrosione e rottura per due anni.
