Countertop Electric Griddle 48"

Durable and sanitary full stainless-steel construction. 1" thick steel cooking surface creates even and consistent heat perfect for a variety of foods. Cooking surface has four independent zones each with adjustable ranges of 150-570 degrees Fahrenheit. Large 3" steel splashguards on sides and back, large grease tray for easy cleanup. Expertly cook pancakes, burgers, eggs, grilled cheese, and all of your customers' favorites with this electric countertop griddle.

Power on / heating indicator lights, and 3" steel splashguards on the sides and back, this unit is as safe to use as it is powerful and effective.

Griddle plate 1" x 48", this unit is built for high-volume commercial use.

The heavy-duty stainless-steel housing and 3 1/2" to 5 1/2" adjustable stainless-steel feet provide durability, while the easy to remove grease tray allows for quick, hassle-free cleaning.
