

VITRO S5

A FANTASTIC DESIGN FOR A UNIQUE COFFEE MACHINE

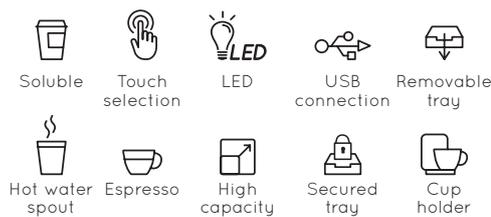

The Vitro S5 is a large capacity, automatic, hot beverage machine, ideal for preparing an extensive menu of hot beverages of the highest quality. It features espresso and soluble coffee technologies and the variable group, which allows to adapt the coffee strength to the consumer taste.

The Vitro S5 is an ideal standalone solution for unattended high-volume locations such as companies, convenience stores, hotels and collectivities that want to offer an excellent coffee service continuously and effortlessly.

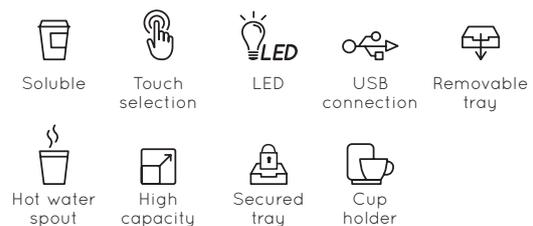

VITRO S5 ESPRESSO

Offers the authentic taste of the real espresso. The Vitro S5 is recommended for unattended locations thanks to its high capacity and secured tray.

VITRO S5 INSTANT

It offers a great variety of hot beverages. The capacity of the product hoppers and self-contained design of the waste tray are specifically designed for self-service areas.

Machine capacity

- Espresso 250 cups
- Cappuccino 250 cups
- Chocolate 115 cups

Machine capacity

- Espresso 500 cups
- Cappuccino 500 cups
- Chocolate 115 cups

AZK V30 VARIABLE ESPRESSO BREWER

COFFEE JUST THE WAY YOU LIKE!

Azkoyen's AZK V30 Group is able to adjust each recipe to your customer's taste, offering the possibility to set a gram throw of between 7 and 14 grams of coffee.

The adjustable espresso dispensing system offers the option of dispensing various sizes of coffee cups in the same machine, being certain of serving the optimum amount of coffee in each service. In addition, this option allows the consumer to adjust the strength of the coffee to suit their taste.

User friendly touchless selection

With 12 or 20 speciality coffee options, you can make your selection using Touch or our new patented Distance Selection technology - choose your favourite.

Sturdy and easy to clean

The stainless steel dispensing area is sturdy and easy to clean. The front of the tray is removable, allowing easy daily maintenance.

Different cup sizes

Cups up to 14 cm high can be used. It includes a retractable cup stand that allows the use of small cups. Optional cup sensor.

PAY BY CASH, CARD, CASHLESS OR MOBILE PHONE

We are in a global continuous adapting world and payment trends are changing. The MDB protocol allows the Vitro S5 to adapt to the latest payment methods with various accessories that make payment easy.

For a self-contained operation, the Vitro S5 allows to integrate a cashless system, an exchange giver or an MDB coin validator. These payment systems can also be installed in an exterior payment module.

The machine is compatible with Pay4Vend App, allowing payment directly from a mobile phone.

MDB cashless system integration kit

External MDB payment module

MDB change giver integration option

High autonomy ▶

The waste drawer has a capacity for up to coffee cakes and the liquid tray holds 2.5 litres. An exceptional run-time allowing a continuous service.

◀ Effortless maintenance

A great design in and out. Inside there is a coding system and a tube colour guide to simplify maintenance work.

◀ Easy to refill coffee beans and soluble ingredients

The filling of coffee beans and soluble products is quick and simple, thanks to the folding cover you don't have to take out the hoppers.

BREAKFAST AT THE HOTEL: THE DECISIVE MOMENT

In hotel & catering establishments, a good cup of coffee is essential to ensure maximum customer satisfaction. In addition to excellent quality coffee, it is important to create a pleasant experience, exhibit an attractive design and a fast service, especially at times of peak customer demand.

Vitro S5, offers this and so much more! It provides a dynamic and quick services thanks to its intuitive, one-click selection process. The combination of realistic drink images, sounds and LEDs, ensures customers always get the drink they want.

A MYRIAD OF ACCESSORIES AND OPTIONS FOR YOUR BUSINESS

Offering a unique coffee experience has never been easier. We have developed a complete range of accessories to adapt Vitro S5 to any business model. The Vitro S5 accessories provide a distinctive service and help you improve your profitability.
