

CS-200

Hot Food Holding Carving Station

ALTO-SHAAM

Alto-Shaam carving stations keep food fresh, hot and ready to serve at just the right temperature. Maximize visual appeal while maintaining food temperature and quality. Gentle, precise Halo Heat® technology radiates directly from the carving shelf surface, while ambient surface lamps keep food warm without cooking or drying out food.

CS-200/S

Standard Features

- Controlled, uniform holding with Halo Heat technology
- Fixed lamp assembly provides additional heat to the product for greater surface temperature control
- NSF- and USDA-listed removable cutting board with integrated gravy lane
- Recessed heated surface to catch drippings
- Heated base provides low, medium or high heat options
- Designed to fit on top of Cook & Hold Ovens, heated holding cabinets, smoker ovens or suitable for placement on any surface
- Optional clear-glass customer breath guard easily slides in place, meeting NSF breath guard specification
